Hi Mike,

Bachera asked me to send you the information I have on the allegations against Deputy Administrator, [REDACTED].

HR was notified on July 5, 2024, receiving the original email to Todd Rich, Chief Deputy Commissioner, below. When Todd forwarded his email to my HR Officer (Monique Williamson), he copied Administrator, Scott Kipper.

Monique reached out to me and did not watch the video. I had her forward it to me to handle and instructed her to delete all her emails.

I did find out from Todd Rich that the following people received the same email separately.

- John Gerard, Administrative Assistant 4 to Commissioner Kipper
- Nick Stoic, Deputy Commissioner
- Betsy Gould, Legal Secretary
- Rhonda Kelly, Legal Secretary

I contacted all parties and instructed them to delete the emails, do not discuss with anyone and had them all sign a confidentiality form. As far as I can tell these are the only state employees who received this email.

HR did not contact [REDACTED] or were we able to verify if it was him in the video.

Let me know if you need anything else.

Thank you,

Corrine Cosentino, Human Resources Manager

Hi Monique:

Here it is, please see below. I opened up the attachment without really thinking and it is disturbing and pornographic – I turned it off immediately. I have been told by two employees that the email was also sent to the Commissioner's Assistant as well as our DOI Legal email address. I told these employees to please delete the email.

Please advise – thank you.

Todd.

WARNING - This email originated from outside the State of Nevada. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Sir-

I want to make you aware of the moral character of your deputy. [REDACTED] is a sexual predator. He is an alcoholic who regularly shows up at work under the influence of alcohol. He has 3 DWIs several arrests and has admitted to sexually assaulting a woman in college.

I was also sexually assaulted by [REDACTED] at a cocaine fueled party. I have attached a video of the incident that I believe speaks for itself.

Do with this information as you will. I may be a jilted lover and admittedly I have mental health issues. If I were to take this to the police, they wouldn't believe me and, giving credit where credit is due, [REDACTED] is far too good of a lawyer. But being an appointee of the governor of the great state of Nevada and serving at his leisure, I felt perhaps you should be made aware of his character.

Thank you for your time.
